Moon	Female/Emotions
Sun	Male/Self Expression

This contact relates an excellent male/female interaction. The emotions of the woman are in harmony with the self expression of the man. The result is a natural understanding of each other.

The client enthusiastically stated that the one perfect thing about Cathy was her quiet times. She was the only woman that knew when he didn't want to talk.

This same interchange of understanding could mean something entirely different to a woman. It could mean a man who talked things out with her. The harmony could be discussing things instead of silence. Here again is where you see the basic
