

The Complete Self-Analysis Chart

MARS-MOON - Energetic Emotions

Effective: Am I sincere, frank, and trustworthy? Have my strong willed emotions been disciplined? Do I use routine health habits and avoid excess in food and drink?

Am I a strongly principled person with candid and frank opinions? Have I developed the intellectual side of my make-up? Do I help the members of my family develop the effective use of their energies?

Do I place proper limits with both my husband and my mother so my own life develops?

Ineffective: Do my strong emotions run rampant, causing me illnesses such as chronic indigestion, headaches, even ulcers?

Do I tolerate domineering from my husband and mother to the point of smothering my own self? Do I engage in self indulgences such as overeating, drinking, even sexual experimentation?

Have my strong willed emotions been disciplined or am I always rebellious and intolerant?

MARS-MERCURY - Energetic Thinking

Effective: Do I use my great mental intensity in debate, writing, or some other constructive area to channel the intense mental aggressiveness? Do I maintain rest and diet patterns to offset my nervous temperament?

Ineffective: Am I fault-finding, prejudiced, and obstinate? Am I touchy, snappish, cranky, and impatient? Do I have bitter quarrels with others?

Chapter 4

MARS-VENUS - Energetic Love or Creativity

Effective: Do I exhibit enthusiasm in my social activity or in my creativity? Do I use tactfulness and discretion in my sexual relationships? Do I feed my strong creative drive with disciplined artistic study?

Ineffective: Does my emotional excitement and strong sex drive constantly create problems for me? Am I guilty of indulgence, leading to constant dissatisfaction, discontent, and loss of character?

MARS-JUPITER - Energetic Expansion

Effective: Do I have consistent energy and enthusiasm about life - not just energetic fits and starts? Is my outlook philosophical and inspirational? Am I honest, straight forward and just? Am I prudent with my generosity? Do I work well with others?

Ineffective: Is my extravagance a problem for me? Am I reckless when I should be careful? Am I skeptical instead of believing? Do I do things in slapdash fashion? Does lack of moderation in my physical strength deplete my powers? Is wastefulness a pattern in my life? Do I lack self control in food and drink?

MARS-SATURN - Energetic Discipline

Effective: Am I persistent and hard working or do I allow myself to become angry and melancholy? Do I maintain a philosophic outlook in regard to any thwarting pattern of my life? Do I take advantage of the executive ability in your makeup? Do I perform your duties quietly and consistently no matter how large the burden?
