

## Chapter 1

Interpretation #9 – This is the father who has compassion along with ability to help share responsibilities. Cooperation (Jupiter) would be a serious (Saturn) matter; it would involve responsibility.

### Sun (Male or Father)

Jupiter	----- -----	Saturn
Abundance		Deprivation

Interpretation #10 – Here you have a father who experiences two opposing conditions.

An example of this configuration is a father who had experienced a very deprived and impoverished childhood. He now works three jobs accumulating money for security.

**Summary:** After ten keyword interpretations, you have arrived at a very definite picture of a traditional Jupiter/Saturn father.

The different keywords that you selected tell many sides of this man's character. The image and essence of this man has developed with each individual keyword interpretation discovery.

He is no longer a stranger on paper. The Ready Reference Planetary Keyword List has given this man life. You understand many facets of that seemingly very simplistic Sun = Jupiter/Saturn midpoint structure.

Now perform this very same process of interpretation on the examples at the end of this chapter and amaze yourself each time with the results. This is the beginning of honing professional interpretation skills.

# Anger Development - Your Roots
